

4600g

General Purpose 2D Imager

The 4600g combines the right blend of performance and durability for a wide variety of applications that benefit from the power and versatility of a 2D imaging solution.

Powered by Adaptus® Imaging Technology 5.0, the 4600g delivers high-performance, omni-directional linear and 2D barcode reading plus the versatility of digital image capture. With Adaptus 5.0, users can scan barcodes, take digital pictures, paperlessly capture signatures and more - enabling them to be more productive and reducing your need to invest in multiple devices.

Featuring a solid-state design and backed by a 5-year warranty the 4600g is built to deliver years of reliable, hassle-free use while a lightweight, ergonomic design ensures comfort and ease of use for your operators.

Features

- **General Purpose Reader:** Single device covering the broadest range of customer applications.
- **High Performance and Versatile Data Collection:** Adaptus Imaging Technology 5.0 provides aggressive, omni-directional reading of all linear and 2D barcodes, plus enables digital image capture.
- **Advanced Illumination Technology:** Enhances performance and ease of use by delivering snappier scanning and minimizing reflection from shiny items.
- **Durable and Reliable:** Built to last with no moving parts to wear out. Full impact resistant bumpers and a 5 year warranty make the 4600g one of the toughest scanners on the market.
- **Ease of Connectivity:** All popular interfaces are on board. Includes Visual Express™ software for ease-of-integration. Supports Unified POS standard and Windows® Embedded for Point of Service, for retail connectivity.

Specialization Options

- **Disinfectant-Ready Housing:** Optimal for environments where scanner must be cleaned frequently with harsh chemicals. (See reverse for listing of approved cleaners)
