

# Multi-Modal Speech vs. Voice-Only Solutions

Only one screams productivity

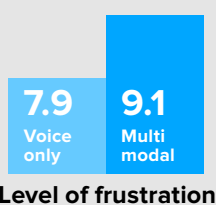

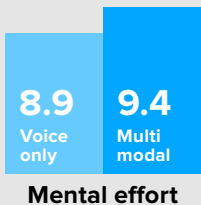

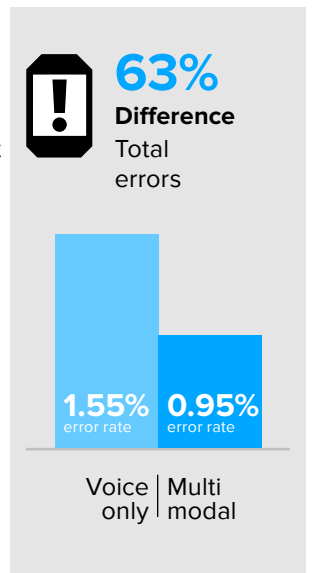

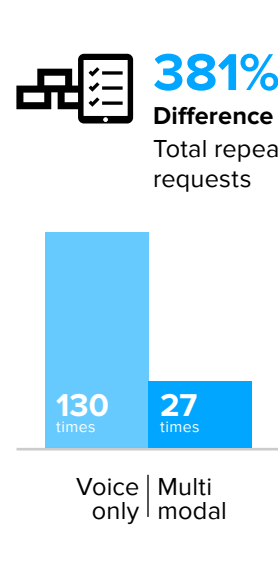

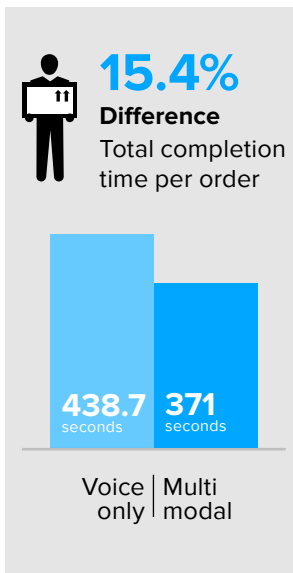

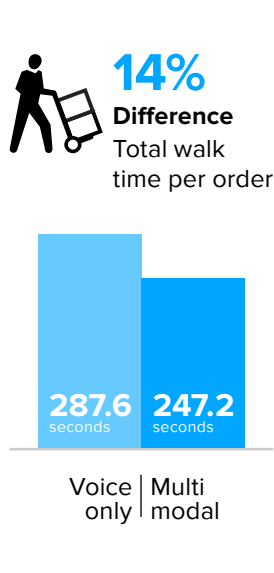

When it comes to managing an increasing volume of SKUs or fulfilling online orders at an exponential rate, only one solution delivers a 15% rise in productivity and a 39% drop in errors.

## Compare for yourself

 **Voice-Only Solutions**

 **Multi-Modal Speech**

Like voice-directed picking, Zebra's Total Wearable Solutions use spoken instructions. But we don't stop there. Our complete package adds the power of other modes to simplify tasks and verify picks — a must for adapting to ever-changing demands.
